

St. Thomas Optimist Softball

BANTAM DIVISION (U17/U19)

1. Emphasis is to be placed on learning the fundamentals of the sport, good sportsmanship, and having fun.
2. Unless otherwise specified, all rules are those recognized by Softball Ontario
3. Adult, carded umpires will be assigned as Umpires for each game
4. Coaches are responsible for placing bases into sleeves before the game (first coach to arrive)
5. "Home" team coach is responsible for returning bases to equipment bins after each game
6. Scores are to be kept by each team in the score books provided
7. Scores are to be reported by the Home Team after each game
8. A maximum of 10 defensive players will be allowed on the field. Teams must have a minimum of 7 defensive players on the field;
9. If a team has less than 7 players the game is forfeited and recorded as a 1-0 Loss
10. In case of forfeits, the players may be shared across teams and a fun scrimmage or practice can take place on the field
11. Players from the division below (Peewee) may be called up, to a maximum of 10 players on the bench
12. Players who have been called up must wear their own team shirts and follow all Bantam rules of play
13. No innings will begin after 90 minutes from the start of the game. Umpire may call last inning at their discretion but is not required to do so
14. If games are rained out after 45 minutes of play, the score recorded will be the score as of the last complete inning. Games rained out before 45 minutes of play will be rescheduled.
15. Players will pitch to opposing teams; A player may only pitch for a maximum of two consecutive innings but may pitch more than 2 innings total per game
16. Pitchers must use an underhand pitching style - windmill pitching is permitted and encouraged; Pitchers must pitch from the rubber mound
17. Pitchers must start with both feet together and facing home plate,
18. It is legal to drag, leap or hop and then land and throw as long as the original push starts from the pitcher's plate. It is not legal to step off with the pivot foot and then drag, leap, or hop and throw
19. Strikes and balls are in effect; a foul when 2 strikes on the count will not be a third strike
20. A foul tip on the 1st or 2nd strike must be over the batter's head and caught by the catcher for the batter to be called Out. Any foul tip caught by the catcher on the third strike will result in the batter being called Out even if it is not over the batter's head
21. Stealing bases is allowed, batters may advance once the ball has left the pitcher's hand
22. A batter may run to first base on a third strike ONLY if the catcher drops the ball AND first base is not occupied
23. If a ball is overthrown and goes out of play, it is considered a dead ball and runners will advance one base. The Umpire will call TIME and direct the runners
24. Catchers may not block home plate when a runner is advancing from third base - catchers must stand in front of the plate to ensure safety of both players and not on the base path or on home plate. A runner coming from third will be called safe when approaching the plate if the catcher is blocking their path
25. Sliding into base is allowed except first base - no sliding into first base
26. Infield fly rule will apply - when the batter hits a fair fly ball with runners on 1st & 2nd, or 1st 2nd & 3rd, AND there are less than 2 outs the batter will be called out and runners may not advance
27. Every inning has a six-run limit. There is a maximum of 7 innings per game
28. The batting order must remain the same for the entire game - any batter out of order or missing is an automatic out, except for injured players. This infraction must be brought to the attention of the umpire while the batter is at the plate in order to be enforced
29. Catcher must wear the leg guards, chest protector, and catcher's helmet
30. Pitchers must wear fielding masks; other fielding players may wear the mask but are not required to
31. Batters/base-runners must wear a helmet with face mask until they have entered the dugout
32. During the regular season a tied game remains tied - only tournament games are played out

Ball: 12" soft core ball

Pitcher: From the rubber, one hop or dragging pivot foot is allowed

Base Distance: 60 feet
